

UNIQUE STUDENT IDENTIFIER

All students who are enrolled or completing a nationally recognized qualification are required to obtain an Australian Government Unique Student Identifier (USI).

The College cannot issue any Qualification or Statement of Attainment or Statement of Results without a USI.

General Information

The USI is a reference number made up of ten numbers and letters that:

- creates a secure online record of your recognised training and qualifications gained in Australia, from all training providers you undertake recognised training with
- will give you access to your training records and transcripts
- can be accessed online, anytime and anywhere
- is free and easy to create and
- stays with you for life

Who needs a USI and why?

If you are a new or continuing student undertaking nationally recognised training, you need a USI in order to receive your qualification or statement of attainment. If you don't have a USI you will not receive your qualification or statement of attainment.

Your USI will give you access to an online record of the training you have done since 1 January 2015. You will also be able to produce a comprehensive transcript of your training. This can be used when applying for a job, seeking a credit transfer or demonstrating pre-requisites when undertaking further training.
